ASIA

125M jobs may be **lost**

in the second quarter of 2020

LATIN AMERICA

Affected by the **exodus** of about **5M people** from Venezuela

“A world free of COVID-19 requires the biggest public health effort in global history: data must be shared, resources mobilized and politics set aside.

We are in the fight of our lives.

We are in it together.

And we will come out of it stronger, together.”

António Guterres,
Secretary-General, United Nations
