

1.The Green Climate Fund (GCF) is seeking to engage the services of a reputable and experienced market research firm to conduct a comprehensive Stakeholder Perception & Satisfaction Survey ('the P&S Survey'). The purpose of the P&S Survey is to gather valuable insights into stakeholder perceptions amongst its existing and potential partners in the climate finance ecosystem, satisfaction levels amongst existing partners, identify areas of improvement, and establish the perception of GCF in relation to peer and geographically matched climate funds.

2.Please submit your Proposal using the GCF Supplier Portal. Alternatively, bids may be submitted to [tenders@gcfund.org](mailto:tenders@gcfund.org). Any questions pertaining to this RFP shall be submitted at least ten days before the above closing date, and any resulting clarifications may be published for all Bidders. Interested Bidders are encouraged to notify GCF of their interest, in order to receive any related clarifications and notices.

3.The following documents are applicable to this RFP. In the event of a conflict, the first listed has precedence.

- i. Instructions to Bidders
- ii. Annex 1 – Terms of Reference
- iii. Annex 2 – Technical Proposal Submission Forms
- iv. Annex 3 - Financial Proposal submission forms
- v. Annex 4 – Evaluation Criteria
- vi. Annex 5 – Model Contract
- vii. Annex 6 – Company Profile Form

4.Bidders must ensure that all requirements are followed, the Instructions to Bidders provide more information. Note that this is a 'two envelopes' process. That is, the technical proposal must be submitted without prices. GCF will only review pricing after the technical evaluation is complete, thus pricing must be in a separate file. Communication with GCF related to this RFP shall only be through the **GCF Supplier Portal**, or **[tenders@gcfund.org](mailto:tenders@gcfund.org)**. Deviation may lead to the proposal being disqualified. Note that Proposals must NOT be sent directly to the Buyer.

5.Please note that the terms set forth in this document, including the contents of any attachments and annexes, may form part of any contract subsequently awarded. Any such contract will require compliance with all factual statements and representations made in the proposal. In submitting a proposal, the Bidder accepts in full and without restriction the requirements of this RFP (including the above terms) as the sole basis of this tender process and waives their own conditions of sale.

Three sections follow (within the Portal, please find the scroll button to the right)

1. Compliance. Attach your Technical Proposal here.
2. Evaluation. This is provided for your information, providing further details here is optional.
3. Commercial. Attach your Commercial Proposal here.

# RFP Response Sheet - Technical

## 2. Requirements

*\*Response is required*

Supplier Name:

*I certify that my attached proposal meets all the requirements of the GCF RFP, with the following observations*

### 2.1 Section 1. Compliance (Technical)

\*1. Please attach your Technical Proposal here, without pricing information. This Proposal will be reviewed by GCF staff to confirm that the minimum requirements are met.

Please confirm that you comply with the minimum GCF Requirements by selecting 'yes' below, and/or note any deviations/observations.

Scoring: Automatic, Weight: 0.00, Maximum Score: 1, Knockout Score: 1

*Comments are allowed.*

*Target: Yes, our proposal meets all of the requirements.*

Select one of the following:-

a. Yes, our proposal meets all of the requirements. (Score: 1) *(Response attachments are required)*

b. No, we have submitted a non-compliant bid (Score: 0) *(Response attachments are optional)*

### 2.2 Section 2. Evaluation (Technical)

1. Please review the attached scoring table to understand how GCF will evaluate your Technical Proposal.

Your Technical Proposal was already attached in the previous section. Please do not attach it again. Indeed, this section is 'for your information': no response is required. However, you may choose to provide additional guidance to assist the GCF Evaluation Team in reviewing your proposal.

Scoring: Manual, Weight: 70.00, Maximum Score: 100, Knockout Score: 1

*Response attachments are optional. Comments are allowed.*

### 2.3 Section 3. Commercial (Financial) (Commercial)

\*1. Please attach your Commercial Proposal here (also known as a Financial Proposal), with all the required pricing detail. This proposal will be reviewed by GCF after the technical scores have been assigned.

Note that you will also be asked to enter your Total Price in a later section. Please ensure that your attached Commercial Proposal clearly demonstrates how your Total Price was calculated.

Scoring: Automatic, Weight: 0.00, Maximum Score: 1, Knockout Score: 1

*Hint: Attachment is REQUIRED*

*Comments are allowed.*
