

## ► Meet with DevelopmentAid representatives in **Berlin, Germany**

**May 30 until June 3**

We are happy to announce that for the first time in over 2 years we will be meeting **f2f** with DevelopmentAid strategic partners, members and new clients in **Berlin in the first week of June!**

Leading the market for 15 years now, we managed to help over 4000 companies and organizations internationally to structure and centralize their business development and recruitment activities.

We assist organizations optimizing :

- tender/grant/loan4development tracking
- market analyses of competitors and potential strategic and local partners
- donor mapping
- portfolio diversification
- international and local recruitment for short term, long term and permanent positions
- branding their own name on the market
